### **Grading**

Your final grade will reflect your performance on the examinations, your threshold assessment, your class participation, and attendance. Failure to attend 8-hours of class results in a letter grade drop! YOU MUST ATTEND ALL FRIDAYS! Your final score is calculated using the following guide:

|                             |            |               |
|-----------------------------|------------|---------------|
| <b>Mid-Term Exam</b>        | <b>33%</b> | <b>05 OCT</b> |
| <b>Threshold Assessment</b> | <b>33%</b> | <b>02 NOV</b> |
| <b>Final Exam</b>           | <b>33%</b> | <b>07 DEC</b> |

Research papers (Reports of Investigation, Victim Risk Assessments, and Threshold Assessments) are graded using the following format:

A= 95 (Outstanding)

B= 85 (Excellent)

C= 75 (Satisfactory)

D= 65 (Unsatisfactory, but passing)

F= 0-59 (Failing)

### **Threshold Assessment (Research/Writing Requirement)**

The learning goal in completing this paper is to determine your erudition from this course by an in-depth case study of a cold homicide case from the files of Cobb County Police Department. Your research details your findings and analysis. Your threshold assessment is turned in on **02 NOV 2012**. If it is not turned in on 02 NOV in class, then it is late. If a paper is late, the grade will be lowered, possibly as much as one letter grade or more. Papers are to be turned in and email attachments are NOT acceptable. Failure to turn in two copies of the threshold assessment will also shape the grade. **\*\*Failure to return the CD results in a "I" Incomplete grades; as well as, CCPD actions.\*\***

### **Research Guide**

Your threshold assessment details YOUR assessment of the physical evidence of behavior, victimology, and crime scene characteristics for a cold homicide case. The goal is to provide the cold case detective with investigative direction. You must explain the examinations performed: the background of the case, the victimology (or lack thereof), an equivocal analysis of the autopsy findings, the crime scene characteristics, the offender characteristics, and your investigative suggestions for the cold case detective. You make a determination of the behavioral motivational typology of the offender and link the typology to the signature behaviors found.

**Use the APA writing style.** You are provided all research material; therefore, you only cite material other than the furnished cold case material. Use a 12-point Times New Roman font; print the paper front and back (in original ink...not on a copy machine); staple in top left corner (no cover, spines, or notebooks); 3-hole punch both copies of the paper. Turn-in two (2) copies of your threshold assessment: one copy is graded and returned; the other copy is provided CCPD Crimes Against Persons division leadership. Use the KSU Writing Center for assistance. Peer reviews are encouraged. Students are awarded 1 point per KSU Writing Center mentoring session, up to 10 points. Each mentoring session is expected to be a minimum of 20 minutes. The points are added to the grade of the final exam.

**Threshold Assessments are scored based on:**

Quality of research  
Critical Thinking and Logical Arguments  
Analysis of Physical Evidence and Behavioral Evidence Assessment  
Quality of presentation in the written form  
Compliance with requirements of the research guide

Engaging in any behavior which a professor prohibits as academic misconduct in the syllabus or in class discussion is cheating.
