STATEMENT ON GENERAL EDUCATIONAL REQUIREMENT:

THIS COURSE IS A KENNESAW STATE UNIVERSITY GENERAL EDUCATION REQUIREMENT AND ADDRESSES THE GENERAL EDUCATION LEARNING OUTCOME(S) LISTED BELOW:

CRITICAL THINKING: Students articulate a position on an issue and support it by evaluating evidence relevant to the position, considering opposing positions or evidence, and documenting sources according to convention. FOR MORE INFORMATION ABOUT KSU'S GENERAL EDUCATION PROGRAM, PLEASE VISIT

Sociology is one of the few academic disciplines that many students enter into with strong and established beliefs concerning the subject matter. This is especially true when controversial topics such as the ones that we will be discussing are challenged and critiqued. With this said, there are a few classroom rules that will be established:

- Acknowledging that racism, sexism, classism, heterosexism, and other forms of institutionalized forms of oppression exist, we agree not to blame others or ourselves for the misinformation we have learned but accept responsibility not to repeat misinformation and to use our sociological knowledge to change perceptions.^{1*}
- We agree not to "blame the victim(s)" for the conditions of her/his life because this type of explanation ignores the institutionalized social structures that block progress and perpetuates social inequality*
- Never demean, devalue, or ridicule someone for ideas expressed, personal experiences shared, or dissenting opinions. *
- Create a safe atmosphere for open discussion. If personal experiences are shared with the class, it should be agreed upon that these comments are not repeated outside of the classroom and the rules of confidentiality apply. ^{*1}

¹Ideas based in part on: Cannon, Lynn Weber. 1990. "Fostering Positive Race, Class, and Gender Dynamics in the Classroom." *Women's Studies Quarterly* 18 (2): 126-134.

CLASS POLICIES

CLASSROOM ETIQUETTE:

Do not talk during class. Unless you are having a conversation with the entire class, you should not talk. If you do not hear or understand something I say and need clarification, instead of asking the person beside you, raise your hand and ask me. I will ask students who talk during class to leave. It is disrespectful and disruptive to me, as well as your classmates when you talk during class.

ATTENDANCE POLICY:

All class meetings are important. It is your responsibility to come to class. I will not take attendance in a class this large (250 students), but it is highly recommended that you come to each class. Class meetings are impossible to duplicate. Furthermore, everything that is discussed in class is potential material for exams. Do not email me and ask me for notes, information about what we discussed, etc.

TARDINESS:

Class begins at the time published in the official university class schedule, and you are expected to be in our room, in your seat, and ready to learn at this time. I am well aware that traffic is a nightmare, parking is horrible, and many times work schedules conflict with life. However, **DO NOT COME INTO CLASS MORE THAN 10 MINUTES LATE.** It's disrespectful and disruptive.

USE OF PERSONAL TECHNOLOGY DURING CLASS:

Because this class is highly interactive and your participation is important to its success, the use of personal laptops, iPads, and cell phones during class is prohibited. Please either set your phones to silent or turn them off. Do not text during class. I prefer that students DO NOT use laptops because the majority of students are not actually taking notes. It is disruptive to the people around you when you are on Facebook, Twitter, or doing something other than taking notes. Talk to me if you would like to use a laptop so we can discuss the rules for classroom use.

ACADEMIC HONESTY:

Please be advised of the Student Code of Conduct as published in the KSU Undergraduate Catalog. Section III addresses issues on academic honesty, including cheating and plagiarism, among other violations. If you are unsure of how *plagiarism* is defined or if you are not clear on what "academic honesty" means, go to the catalog and familiarize yourself. Ignorance of the policy is not an acceptable excuse! Students suspected of academic dishonesty will be investigated and if confirmed, will receive a zero on the assignment and potentially fail the course.

STUDENTS WITH SPECIAL NEEDS:

If you are a student with a documented disability, come & talk to me as soon as possible (either after class or during my office hours) to discuss accommodations.

MY ROLE AS A PROFESSOR

As the professor, I am responsible for creating a safe, creative, and (maybe) fun environment for you to learn in. As a professor I am not responsible for telling you "what to study for the test." I will not go over every piece of information that you will need to know for the exams or quizzes. If you hoped that I, as the professor, would be a resource for you to find how you can put out the least amount of energy while still earning a good grade, I am probably not the professor you are looking for. I respect you and your other time commitments enough to share this with you up front.

YOUR ROLE AS A STUDENT

As a student in this class your primary responsibility is to come to class prepared. That includes doing the assigned reading and taking the time to think about how it relates to your experiences and the world around you. In class you are expected to give all of us your attention and participate in class and group activities and discussion. To put it simply, if you hope to do well in this class you have to be an *active* participant in your education.

WHAT TO EXPECT DURING CLASS TIME

In class we will talk about the main ideas discussed in the assigned readings and then apply them with activities,

discussions, etc. We may also extend the discussions beyond what the readings covered by watching a video or having a guest speaker. Our class time is a supplement to the readings not a replacement for doing the readings.

EXAMINATIONS:

- ☐ There will be 3 exams during the semester. **Exams are not cumulative.**
 - Exams will consist of multiple choice.
 - Each exam is worth 33.3% of your final grade.

BE ON TIME FOR EXAMS! Students who are late for class on exam day **will not** be allowed to take the exam if they arrive after the *first* student has already turned in her/his exam. This policy is to put in place to ensure academic honesty.

- ☐ **THERE ARE NO MAKE UP EXAMS.** IF A STUDENT MISSES AN EXAM, THE STUDENT WILL BE REQUIRED TO TAKE A cumulative FINAL EXAM ON MONDAY OCTOBER 28 TO REPLACE THE MISSING TEST GRADE.
 - THIS INCLUDES STUDENTS WHO COME INTO CLASS AFTER THE FIRST EXAM HAS BEEN SUBMITTED AND STUDENTS WHO ARE ABSENT DUE TO ILLNESS, DEATH IN THE FAMILY, "EXCUSED" ABSENCES, AND ALL OTHER EMERGENCIES.
- ☐ **IMPORTANT EXAM INFORMATION:** Due to the large size of the class, there will be multiple versions of each exam. Exams will be identified by a letter (A, B, C, or D). It is imperative that students bubble in their scantron sheets to identify which version of the test they have. If not, the machine will not grade the exam (i.e., you earn a zero for the exam). If a student fails to mark the appropriate test ID on the exam and I have to grade the exam (again), I will deduct 10 points from the exam grade.
- ☐ **DURING EXAMS:** turn off phones and all other electronic gadgets. Go to the restroom before the test begins because if you leave the room—you must turn in your exam and I will consider it completed.

Grading:

Exam 1 = 33.3%
Exam 2 = 33.3%
Exam 3 = 33.3%

Keep Track of Your Own Grade!!

Exam 1: (your grade x .333) = a
Exam 2: (your grade x .333) = b
Exam 3: (your grade x .333) = c

Your Final Course Grade= a + b + c (out of 100)

Final Grade:

A = 90 – 100

B = 80 – 89

C = 70 – 79

D = 60 – 69

F = 59 & below
